THE START: PUTNEY

THAMES ROWING CLUB

Nestled on the iconic banks of the River Thames, the historic Thames Rowing Club offers an exceptional vantage point from its sweeping riverside balcony, perfectly positioned to witness the opening 500 metres of The Boat Race in style. Built in 1879, the elegant Clubhouse is steeped in rowing heritage, with its walls adorned by evocative photographs and memorabilia that chronicle the sport's legacy from the 1860s to today.

As the crews prepare to take to the water, you will enjoy a front-row view of the athletes launching just below you. Throughout the day, you will be looked after by dedicated Boat Race ambassadors and distinguished alumni who will share expert insights, stories, and live commentary, bringing the drama of this iconic sporting rivalry to life.

The facility will be shared with Thames Rowing Club members who will be using other areas of the club house to watch the races.

THAMES ROWING CLUB
